WIN MOSES, JR., MAYOR

Stan,

I'd like to introduce this resolution May 14. I plan to have a video tape so call me if there are any problems. Thanks - Janet

A resolution condemning unnecessary and/or inhumane experiments on animals.

Whereas a society may be judged as to its degree of civilization by how it deals with helpless creatures and,

Whereas some laboratory experiments on animals are medically necessary and are performed humanely but

Whereas twenty million rabbits, rats, mice, dogs, cats and monkeys are killed each year in the name of science and

Whereas many of these experiments are repetitions and unnecessary and have no benefits beyond the abstract accumulation of knowledge and

Whereas documented evidence shows sadistic treatment of animals by some "researchers" and technicians, and

Whereas researchers are under no legal obligation even to use anesthetics on these animals and

Whereas almost \$7 billion was spent last year and $\frac{2}{3}$ is tax money.

Therefore be it resolved that the Common Council of Fort St. Vrain urges Congress to strengthen the laws that protect these animals and withhold federal funds from laboratories that do not comply.

Thanks,
Janet Bradbury
